

## Cass County Info

# HOUSEHOLD HAZARDOUS WASTE NEWS

Household Hazardous Waste mobile collection events are held throughout the Kansas City area in Missouri and are free to residents of participating communities in the Regional HHW Collection Program.

If your community is not a member of the Regional HHW Collection Program, please contact your city hall or county office. Each city and county in the five-county Solid Waste Management District is given an annual opportunity to join the program.

2010 HHW Participating Communities in Cass County are Belton, Pleasant Hill, Raymore, Cleveland, Garden City, Lake Winnebago, and Unincorporated Cass County. Citizens from the listed cities and citizens from cities with population under 500 may attend any collection event without a fee.

For more information, contact Nadja Karpilow at [karpilow@marc.org](mailto:karpilow@marc.org) or 816/474-4240.
