Re: Password Security Update for Public View and website accounts.

To Whom It May Concern

Just a reminder to keep your employee list current for the public view/website computer account you opened with the Cass County Recorders office. Be sure to delete the names of persons no longer employed by your company. Add new employees you wish to have access to your website.

As always, each employee shall have his/her own user id and password to access your account.

Company Name

Address:

Phone Number:

Please usa a different page for each office location.

Last Name	First Name	User ID	Password

Thank you for you cooperation.
