Minutes Approval Date: _____

Certified Copy of Record

STATE OF MISSOURI, }
County of Cass, } ss.

In the County Commission of Cass County, Missouri, at the January Term, 2026, held on the 7th day of January 2025 amongst others, were the following proceedings:

RESOLUTION NO. 26-01 OF THE CASS COUNTY COMMISSION

APPROVING THE SOFTWARE PURCHASE AGREEMENT WITH TENEX SOFTWARE SOLUTIONS, INC. FOR THE ELECTRONIC POLL BOOK SYSTEM

WHEREAS, the Cass County Clerk's Office identified the need to acquire an electronic poll book system to modernize voter check-in and election administration; and

WHEREAS, the County Clerk's Office publicly invited sealed bids for the purchase of an electronic poll book system, with bid specifications made available to interested vendors, and bids received and opened in accordance with the County's purchasing requirements; and

WHEREAS, following review of the bids received, the proposal submitted by Tenex Software Solutions, Inc., by and through Henry M. Adkins & Son, Inc., was determined to be the lowest and best bid and to be in the best interest of Cass County; and

WHEREAS, Tenex Software Solutions, Inc. has submitted a Software Purchase Agreement for the Precinct Central Touch Pad Electronic Poll Book System, together with pricing set forth in Exhibit A; and

WHEREAS, the total project cost for the initial acquisition is \$165,672.00, which includes hardware, software licenses, implementation, and first-year maintenance,

NOW, THEREFORE, BE IT HEREBY RESOLVED AND ORDERED BY THE COUNTY COMMISSION OF CASS COUNTY, MISSOURI, THAT, this Commission hereby approves the attached Software Purchase Agreement in the amount of \$165,672.00 between Cass County, Missouri and Tenex Software Solutions, Inc., together with all exhibits and attachments thereto. The Presiding Commissioner or his designee is hereby authorized to sign necessary agreements on behalf of Cass County, Missouri, and all other documents necessary to facilitate this order.

ADOPTED BY THE COUNTY COMMISSION OF CASS COUNTY, MISSOURI, THIS 7TH
DAY OF JANUARY 2026.

Bob Huston
Presiding Commissioner

Mike Moreland
Associate Commissioner
Dist. 1

Jeff Fletcher
Associate Commissioner
Dist. 2

Tenex Software Solutions, Inc.
SOFTWARE Purchase AGREEMENT
Precinct Central Touch Pads Electronic Poll Book

This software purchase agreement (“Agreement”) is entered into as of _____, 20____ (the “Effective Date”) by and between Tenex Software Solutions, Inc., a Florida corporation, having its principal place of business at 5402 W Laurel Street, Suite 206, Tampa, Florida 33607 (“Tenex”, “Vendor” or “Company”), and **Cass County, Missouri**, headquartered at **102 E. Wall St., Harrisonville, Missouri 64701** (“Customer” or “Board”), and governs the provision of the Precinct Central ePollbook Solution (the “Solution” as defined herein) by Tenex to Customer, and the use of the System (as defined below) by Customer, together with related services provided by Tenex to Customer, all in accordance with its terms. For convenience, Tenex and Customer are sometimes referred to in the Contract Documents as “Parties”.

1.0 DEFINITIONS

The following definitions will apply:

- a) **System.** “System” means the individual modules or products that make up the system. The overall system suite is known as “Precinct Central”.
- b) **Customer Data.** “Customer Data” means any of the customer’s information, documents, or electronic files that are provided to Tenex including Election and/or Voter data.
- c) **Service.** “Service” means Tenex’s work product necessary for providing electronic Check-ins, voter processing and election related functions.
- d) **Support.** “Support” means the ongoing services by Tenex to support & maintain the System as defined below.
- e) **Solution.** “Solution” means the Precinct Central ePollbook system provided by Tenex, under the Agreement, inclusive of all hardware, Software and services required to make the Precinct Central ePollbook system fully functional.
- f) **Contract Documents.** “Contract Documents” means this Agreement, including all exhibits and attachments.
- g) **Agreement.** “Agreement” shall mean this software purchase agreement document, including all exhibits and attachments hereto.
- h) **Deliverables.** “Deliverables” shall mean any products furnished or services provided by or through Tenex under the Contract Documents.
- i) **CAS.** “CAS” or “Custom Application Software” means custom software components of the Solution developed by Tenex and required to fulfill the specifications in the Contract Documents including, but not limited to, parametric instructions, program source statements, and customization of standard software components. CAS does not include software developed by other or third parties (“TPS”).
- j) **TPS.** “TPS” means the software components of the Solution other than CAS, including computer program, documentation, updates and related material. Software developed by entities other than Tenex.
- k) **Software.** “Software” means A collection of computer programs, codes or data used to direct the operation of a computer or iPad device, including any documentation giving instructions on how to use them, including CAS and TPS.
- l) **Acceptance.** “Acceptance” means written acceptance of Deliverable(s) provided by Tenex under the Agreement following successful completion of acceptance testing of the Solution by Customer. Payment, progress payments, or partial use of the Solution by the Customer shall not constitute acceptance of Deliverables not furnished, implemented or operating in accordance with the requirements of the Contract Documents.
- m) **Contract Price.** “Contract Price” means the maximum price to be paid by County for all

- Deliverables to be rendered by or through Tenex under the Agreement for all Deliverables, including a fully implemented and fully functioning Solution as described in the Contract Documents, together with the cost of the Warranty Period following Acceptance.
- n) **Precinct Central or Purchased Product.** “Precinct Central” or “Purchased Product” means the complete solution for maintaining voter lists, voter eligibility to cast a vote, capture a signature and make consolidated and individual reports available to the Customer. The full features of the software for the purposes of this Agreement and license are outlined in Section A of this agreement and in the Contract Documents.
 - o) **Warranty Period.** “Warranty Period” means the 12-month period after Acceptance of the Solution by Customer during which period Tenex will correct any material deficiencies in the Solution or Deliverables at Tenex’s expense.
 - p) **Prime Time Hours.** “Prime Time Hours” means any time during the 30 days prior to election day, election day, and 21 days after election day.
 - q) **Major Downtime.** “Major Downtime” means problem(s) with Precinct Central or its components which significantly interfere with the functionality or reliability of its operations or intended purpose.

2.0 DELIVERABLES & DEADLINES

2.1 Deliverables

Tenex Software Solutions, Inc. shall provide the products, perform the Services and provide the required CAS and TPS Software and all Deliverables to Customer and furnish the Solution and Warranty Period, all as required by the Contract Documents and per the Milestone Payment schedule which is attached to and incorporated into this Agreement as “**EXHIBIT A.**” The contract prices will be paid in accordance with the Milestone Payment schedule as set forth in said Attachment. The Customer shall ensure that all required components described in this Agreement not to be furnished by Tenex are available before the work commences.

Tenex will provide, install, and implement the Solution for the Customer in accordance with the Contract Documents. Precinct Central system is a complete solution for maintaining voter lists, voter eligibility to cast a vote, capture a signature and make consolidated and individual reports available to the Customer. The full features of the software for the purposes of this Agreement and license are outlined in Section A of this Agreement and in the Contract Documents.

Delays in Tenex’s performance of the Agreement requirements caused by Customer or third parties under the direct control of Customer shall not constitute a breach of this Agreement by Tenex. Any delays in Customer’s performance caused by Tenex Software Solutions, Inc. or third parties shall not constitute a breach of this Agreement by Customer. The project schedule will be agreed to and may be amended with written agreement of the parties.

3.0 OWNERSHIP OF PURCHASED PRODUCTS

Tenex warrants and represents that it is, and on the date of the delivery of the Purchased Product will be, the sole owner and copyright holder of the Purchased Product; that it has, and on the date of the delivery of the Purchased Product will have, the full right and authority to grant this license; and that neither this license nor performance under this Agreement does or shall conflict with any other agreement or obligation to which Company is a party or by which it is bound. Tenex agrees to indemnify the Customer against all claims made against Tenex for use of the product.

Title to all other Deliverables to be provided to Customer by or through Tenex as a part of this Agreement shall pass to Customer upon delivery and payment therefore by Customer.

4.0 PRICE AND PAYMENT TERMS

4.1 *Payment for Deliverables*

The Customer agrees to purchase a three-year license, with an option to extend for an additional two years, for the Purchased Product for the price and payment terms set forth in EXHIBIT A of this Agreement. Adkins will invoice the Customer in accordance with EXHIBIT A. Adkins invoices will conform to the reasonable requirements of the Customer. Customer shall not be responsible for payment for any Deliverables which are not delivered in accordance with the terms and conditions of this Agreement or the Contract Documents. County shall have 30 days to review and test all deliverables. Invoices are due 30 days after the review period.

4.2 *Expenses*

Unless an expense is approved in advance in writing by Customer and funds are appropriated therefore by Customer, Tenex Software Solutions, Inc. shall be responsible for all expenses incurred while performing services under this Agreement.

5.0 ASSIGNMENT AND SUBCONTRACTING

Customer acknowledges that certain aspects of software and hardware support may be subcontracted. Tenex agrees that it will remain primarily liable for the provision of all Deliverables under this Contract unless limited by Third Party Software licenses. Customer understands that Tenex is not licensed to change Third Party Software source code.

Tenex is responsible for making direct payment to all subcontractors for any and all services provided by such subcontractor.

6.0 INTELLECTUAL PROPERTY

6.1 *Intellectual Property Ownership*

Tenex Software Solutions, Inc. owns the entire copyright, title and interest in the following content ("Content"):

- Precinct Central Suite including the Touchpad, Console, and Data Studio.
- Election Response Help Desk Management System.

Customer will own or secure all necessary rights to copyright, trademark or other intellectual property to any materials it submits to Tenex Software Solutions, Inc. for use in the Services.

Nothing in this section will affect ownership of intellectual property created and owned by any entities not a party to this Agreement and not pursuant to an agreement with Tenex. Prior agreements for other products will not be affected by this agreement.

6.2 *Warranty*

Tenex Software Solutions, Inc. warrants that it has the rights and authority to grant all assignments and licenses granted by Tenex Software Solutions, Inc. in this Agreement.

7.0 TERM, TERMINATION, DEFAULT and REMEDIES

7.1 *Term*

The Term of this Agreement shall commence on the Effective Date (contract execution) and shall automatically terminate three years after the contract has commenced, with an option to renew

for two additional years, provided Tenex has fulfilled its obligations under this Agreement and payment of all Project Fees and Expenses as specified in this Agreement has been completed, unless otherwise extended by mutual written agreement or terminated in accordance with this Section 7.2.

7.2 Termination

(a) Either party may terminate this Agreement for cause if the other party (i) commits any material breach or default of this Agreement and fails to remedy such material breach within 10 days written notice from the non-breaching party; (ii) becomes the subject of any voluntary or involuntary proceeding under the U.S. Bankruptcy Code or state insolvency proceeding and such proceeding is not terminated within sixty (60) days of its commencement; or (iii) ceases to be actively engaged in business. To exercise this right, Customer must provide to Tenex formal written notice at least thirty (30) days in advance of the effective date of the termination. The notice shall explicitly state the effective date of the termination and whether the contract termination is in whole or in part, and if in part, which part is being terminated. If this Agreement is terminated for the convenience of the Customer, Tenex shall be entitled to a pro-rated payment for Services provided up to the date of termination based on the percentage of the Services then completed.

7.2.1 Termination For Cause by Customer

Customer may terminate the Contract for cause, at its option, upon Default of Tenex. Default shall be defined as a 1) Material Breach; 2) a failure to perform faithfully under the terms and conditions of the Contract which continues uncorrected for a period of ten (10) business days after written notice of noncompliance from Customer is sent to Tenex (as may be extended by Customer in its discretion); or 3) Tenex's failure to cure a Major Downtime within eight (8) hours of notification during Prime-Time hours, or within twenty four (24) hours of notification during non-Prime Time of such Major Downtime by Customer or its discovery by Tenex.

7.2.2 Material Breach

Material Breach shall mean an act or omission by a party which violates or contravenes an obligation required of the party under the Contract and which, by itself or together with one or more other breach(s), has a substantial negative effect on, or thwarts, the purpose of the Contract. Material Breach shall not include an act or omission which is merely a technical or immaterial variation from the form of the Contract, or which has a trivial or negligible effect on quality, quantity, or delivery of the goods or services to be provided under this Contract, to the extent that in the opinion of the non-breaching party such technical or nonmaterial variation does not rise to the level of a Material Breach when viewed in light of the breaching party's overall conduct under the Contract.

6.0 CONTRACTOR RELATIONSHIP

Tenex Software Solutions, Inc. is an independent contractor, and neither Tenex Software Solutions, Inc. nor Tenex's employees or contract personnel are, or shall be deemed, Customer's employees. This Agreement does not create a partnership relationship association or joint venture between Customer and Tenex in the conduct of the provisions of this Agreement. Neither Tenex Software Solutions, Inc. nor Customer has authority to enter into contracts on the other's behalf. Tenex shall at all times have the status of an independent contractor without the right or authority to impose tort, contractual or any other liability on the Customer or its Board.

9.0 NON-SOLICITATIONS & CONFIDENTIAL INFORMATION

9.1 *Non-solicitation*

Throughout the Agreement and for a period of one (1) year after the expiration or termination of this Agreement for any reason, neither party will solicit to hire or recruit any officers or employees of the other party.

9.2 *Confidential Information*

Tenex Software Solutions, Inc. and Customer agree not to use or disclose to any third party, either during or after the term of this Agreement, any proprietary or confidential information of the other party without the other party's consent. Tenex Software Solutions, Inc. and Customer shall not be restricted in using any material, which is publicly available, already in their possession, or known to them, or which is rightfully obtained from sources other than the other party.

Proprietary or confidential information includes business plans, customer lists, operating procedures, trade secrets, design formulas, know-how and processes, computer programs and inventories, discoveries and improvements of any kind owned by Tenex Software Solutions, Inc. or by Customer; and any information marked "Proprietary" or "Confidential" To the extent any such information is protected under the laws of Missouri regarding public records, confidential information and trade secrets.

Tenex acknowledges that Customer is a governmental entity that is required to comply with Missouri laws. If Customer is required by law to disclose any material or information, Customer will exercise reasonable efforts to notify Tenex prior to such disclosure. If the Customer is requested by a third party to disclose documents delivered by Tenex which are identified as "Trade Secret" or other exemption as defined under Missouri state law, Customer will notify Tenex of such fact. Tenex shall promptly notify the Customer that either (1) Customer is permitted to release such documents, or (ii) Tenex intends to take immediate legal action to prevent their release to a third party. Protection of such documents from disclosure in such instance shall be the responsibility and at the sole cost of Tenex.

10.0 LIABILITY AND RISK OF LOSS

Except for and subject to claims relating to the indemnities contained in Section 24 hereof, in no event shall either party's aggregate liability to the other for all cases or controversies arising out of the subject matter of this Agreement, whether in contract, tort or otherwise, exceed the aggregate payments actually received by Tenex Software Solutions, Inc. under this Agreement. In no event will Tenex Software Solutions, Inc. be liable to Customer for any special, incidental or consequential damages or lost profits, whether based in breach of contract, tort (including negligence), product liability or otherwise, and whether or not Tenex Software Solutions, Inc. has been advised of the possibility of such damage.

Tenex agrees to bear all risk of loss, injury, or destruction of goods and materials ordered as a result of this Agreement which occur prior to delivery to the County. Upon delivery by Tenex to the County, and the County taking possession of goods and materials ordered as a result of this Agreement, the County agrees to bear all risk of loss, injury, or destruction of goods and materials ordered as a result of this Agreement.

11.0 AVAILABILITY AND RETENTION OF RECORDS

All records relating to the products and services provided under this Agreement and supporting documentation for invoices submitted to Customer by Tenex shall be retained and made available by Tenex for audit by Customer, its duly authorized representatives, the State of Missouri and agencies of

the United States government. Such records shall be retained by Tenex and made available for any time period required by state or federal law. If changes occur in the governing state or federal law, regarding retention of records, Tenex shall comply with such changes. If an audit is initiated before the expiration of such time periods required by state or federal law regarding retention of records, Tenex shall retain such records until the audit is concluded and all issues resolved. Tenex shall provide Customer with copies of such audits that may be conducted with respect to this Agreement.

12.0 CONFLICT OF INTEREST AND DISCLOSURE

This Agreement does not preclude, prevent, or restrict Tenex from obtaining and working under an additional contractual arrangement(s) with other parties aside from Customer, assuming that the contractual work in no way impedes Tenex's ability to perform the services required under this Agreement. Tenex warrants that at this time of entering into this Agreement, it has no interest in nor shall it acquire any interest, direct or indirect, in any contract which will impede its ability to perform the services under this Agreement.

Tenex further warrants that there is no financial interest involved on the part of the Customer, or any of the Customer officers or employees who are involved in the development of the specifications or the negotiation of this Agreement. Tenex warrants that it has no knowledge of any situation that would be a conflict of interest. It is understood that a conflict of interest occurs when a Customer or a Customer officer or employee will gain financially or receive personal favors as a result of the signing or implementation of this Agreement. Tenex will report the discovery of any potential conflict of interest to Customer. Should a conflict of interest be discovered during the term of this Agreement, Customer may exercise any right under the Agreement including termination of the Agreement.

Tenex hereby covenants that it has disclosed any information that it possesses about any business relationship or financial interest that Tenex has with a Customer employee, employee's business, or any business relationship or financial interest that a Customer employee has with Tenex or in Tenex's business.

13.0 ASSIGNMENT

The Parties expressly agree that Tenex shall not assign this Agreement without the prior written approval of Customer. All subcontracts are subject to the same terms, conditions, and covenants contained within this Agreement. Tenex must notify Customer within five (5) business days when Tenex knows or should have known that the subcontractor is out of compliance or unable to meet Agreement or licensing requirements. Should this occur, Tenex will immediately implement a process whereby subcontractor is immediately brought into compliance or the subcontractor's contract with Tenex is terminated. Tenex is responsible for making direct payment to all subcontractors for any and all services provided by such subcontractor.

14.0 GOVERNING LAW

This Agreement and any modifications, amendments, or alterations, shall be governed, construed, and enforced under the laws of Missouri. Any legal action brought pursuant to this Agreement shall be filed in the courts located in Cass County, Missouri.

15.0 INTERPRETATION, INTEGRATION AND MODIFICATION

This Agreement, including all Contract Documents, embodies the entire agreement of the Parties. There are no promises, terms, conditions or obligations other than those contained herein; and this Agreement shall supersede all previous communications, representations or contracts, either written or oral, between the parties to this Agreement. Also, this Agreement shall not be modified in any manner except by an instrument, in writing, executed by the parties to this Agreement.

The Contract Documents are intended to supplement and complement each other and shall, where possible, be so interpreted. However, if any provision of this Agreement irreconcilably conflicts with an Exhibit or other Contract Document, the terms of this instrument and its attachments shall control.

16.0 COMPLIANCE

Tenex agrees to comply with all applicable federal, state, and local laws in the conduct of work hereunder. Tenex accepts full responsibility for payment of all taxes including without limitation, unemployment compensation, insurance premiums, income tax deductions, social security deductions, pension deductions, and any and all other taxes or payroll deductions required for all employees engaged by Tenex in the performance of work authorized by this Agreement.

17.0 NON-DISCRIMINATION

Tenex certifies it is an equal opportunity employer and shall remain in compliance with state and federal civil rights and nondiscrimination laws and regulations including but not limited to Title VI, and Title VII of the Civil Rights Act of 1964 as amended, the Rehabilitation Act of 1973, the Americans with Disabilities Act, the Age Discrimination Act of 1975, the Age Discrimination in Employment Act, as amended, and the Missouri Civil Rights Law.

During the performance of this Agreement, Tenex will not discriminate against any employee, contract worker, or applicant for employment because of race, color, religion, sex, sexual orientation, national origin, ancestry, disability, Vietnam-era veteran status, age, political belief or place of birth. Tenex will take affirmative action to ensure that during employment, all employees are treated without regard to race, color, religion, sex, national origin, ancestry, disability, Vietnam-era veteran status, age, political belief or place of birth. These provisions apply also to contract workers, such action shall include, but is not limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising, layoff, or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Tenex agrees to post in conspicuous places, available to employees and applicants for employment, notices stating Tenex complies with all applicable federal and state non-discrimination laws. Tenex, or any person claiming through Tenex, agrees not to establish or knowingly permit any such practice or practices of discrimination or segregation in reference to anything relating to this Agreement, or in reference to any contractors or subcontractors of said Tenex.

18.0 WAIVER

Any waiver by either party or any provision or condition of this Agreement shall not be construed or deemed to be a waiver of any other provision or condition of this Agreement, nor a waiver of a subsequent breach of the same provision or condition. If Customer or Tenex fails to perform any obligation under this Agreement and thereafter the other party waives such failure, such waiver shall be limited to the particular matter waived and shall not be deemed to waive any other failure hereunder. Waivers shall not be effective unless in writing.

19.0 CONFIDENTIAL INFORMATION

All information owned, possessed or used by the Customer which is communicated to, learned, developed or otherwise acquired by Tenex or its employees, agents or contractors in the performance of the terms of the Agreement shall be deemed and remain Confidential Information. Tenex shall not, beginning on the date of first association or communication between the Customer and Tenex and continuing through the term of this Agreement and thereafter, disclose, communicate or divulge or permit disclosure, communication or divulgence to another, or use for Tenex's own benefit or the benefit of another, any such Confidential Information without the prior written consent of the Customer. Tenex recognizes that certain Confidential Information in the possession of Customer is protected by state

and/or federal privacy laws, and its disclosure may be prohibited under applicable law. Tenex agrees to implement and strictly enforce procedures to protect any such Customer Confidential Information from disclosure by Tenex, its employees, agents or contractors. Tenex agrees that any such disclosure of Confidential Information protected by applicable law shall constitute a Material Breach of the terms of the Agreement and be grounds for Default as those terms are defined herein. Tenex agrees to return to Customer all Confidential Information which it has received in the course of the Agreement and to destroy or cause the destruction of any copies of such information in the possession of its employees, agents or contractors.

This section shall be binding upon Tenex, Tenex's employees and subcontractors, and all individuals assigned by to perform services or work for the Board under the Agreement and shall survive termination of this Agreement.

Tenex specifically agrees that the release or disclosure or threatened release or disclosure of Confidential Information by Tenex or its employees, agents or contractors, is likely to cause immediate and irreparable harm to the Customer for which there is no adequate remedy at law. Therefore, in such an event Customer may immediately seek relief in an appropriate forum to stop or mitigate the effects of such release without providing any of the advance notices that may be otherwise required under the Agreement for Material Breach or Default.

20.0 AUDIT RESPONSIBILITY

Tenex agrees to accept responsibility for receiving, replying to and/or complying with any audit exception by appropriate federal, state or local audit directly related to the provision of this Agreement.

Tenex agrees to repay the Customer the full amount of payment received for duplicate billings, erroneous billings, or false or deceptive claims. Tenex recognized and agrees the Customer may withhold any money due and recover through any appropriate method any money erroneously paid under this Agreement if evidence exists of less than full compliance with this Agreement.

21.0 FORCE MAJEURE

To the extent that either Party is actually precluded from performance of any term or condition of this Agreement by reason of a Force Majeure event, such party may be excused from Default of performance of that term or condition for a period not to exceed the actual period of the Force Majeure event, provided that the party seeking to avail itself of protection under this clause gives written notice to the other party identifying 1) the reason for the inability to perform under this paragraph; 2) the measures being taken to perform its obligations notwithstanding the Force Majeure event; and 3) the period during which the party anticipates that its performance will be precluded by the Force Majeure event.

Tenex acknowledges the importance and essential nature of the services it is performing for the Customer under this Agreement and agrees that every feasible effort will be made to perform the services notwithstanding the occurrence of a Force Majeure event. Tenex understands and agrees that the fact that a Force Majeure event renders performance difficult or unprofitable is not a basis for excusable non-performance under this paragraph. In no event shall Tenex be entitled to the benefit of this paragraph for a period in excess of 14 days if the Force Majeure event does not affect the Customer's property or employees which are necessary to Tenex's ability to perform. Tenex shall seek to remedy at the earliest possible time, using all reasonable efforts and means, any actual or threatened non-performance due to a Force Majeure event.

22.0 DEFENSE AND INDEMNIFICATION

Tenex agrees to indemnify, protect, defend and hold harmless the Board of County Commissioners of Cass County, Missouri and their officers, employees, representatives, servants, successors, assigns and

agents (the "Indemnified Parties"), from and against any and all losses, damages, injuries, claims, demands and expenses, including legal expenses, of whatsoever nature, which might be caused by, or in any way connected with, or arising out of any acts or omissions of Tenex, negligent or otherwise, and its employees, officers, agents, or subcontractors, except those which arise from the sole negligence, gross negligence, recklessness or intentional misconduct of the Indemnified Parties. Tenex shall assume the settlement of, and the defense of any suit or suits or other legal proceedings brought to enforce all such losses, damages, injuries, claims, demands and expenses and shall pay all judgments entered in any such suit or suits or other legal proceedings. Without limitation of the foregoing, Tenex agrees to protect, defend, indemnify and hold the Indemnified Parties harmless from any and all liability, loss, damage or expenses arising from any employment relationship between Tenex and its employees, including claims under any statute, including but not limited to, workers' compensation laws, unemployment compensation laws, the Equal Employment Opportunity Act, the Fair Labor Standards Act, the Family and Medical Leave Act, and the Americans with Disabilities Act. The indemnities and assumptions of liabilities and obligations herein provided for shall continue in full force and effect notwithstanding the termination of this Agreement, whether by expiration of time, by operation of law or otherwise.

Tenex agrees to defend, indemnify and hold harmless the Indemnified Parties from and against any claim, suit, demand, or action alleging the System or any component thereof infringes any copyright, trade secret, U.S. patent or any other proprietary right of any third party, and Tenex shall indemnify the Indemnified Parties against any judgment, award or amount paid in settlement to which Tenex has agreed (such agreement not to be unreasonably withheld), applicable court costs and witness fees arising from any such claim, suit, demand, or action.

The Indemnified Parties shall provide Tenex prompt written notice of such claim, suit, demand, or action and shall cooperate with Tenex in the defense and settlement thereof. Tenex shall have control of the defense of such claim, suit, demand, or action and the settlement or compromise thereof. The respective rights and obligations of the parties under this paragraph shall survive the expiration or termination of this Agreement for any reason.

If a temporary or a final injunction is obtained against the Indemnified Parties use of the System or any portion thereof by reason of an infringement of a copyright, trade secret, or other proprietary right, Tenex will, at its option and expense, either:

1. Procure for the Indemnified Parties the right to continue using the System; or
2. Replace or modify the System for the Indemnified Parties or such infringing portion thereof so that it no longer infringes such copyright, trade secret, or other proprietary right, so long as the utility or performance of the System is not adversely affected by such replacement or modification and the System continues to materially conform with the System Specifications.

23.0 SURVIVAL OF TERMS

In addition to any provisions of this Agreement which survive by their express terms, those terms and provisions which by their intent and meaning would naturally survive, or which by their very nature are incapable of being partially or fully performed or enforced prior to expiration or termination of the Agreement, shall survive the expiration or termination of the Agreement.

24.0 COUNTERPARTS OF THIS AGREEMENT

This Agreement may be executed in counterparts, each of which shall be deemed to be an original of this Agreement.

Section A—Precinct Central Product Description

Precinct Central is the most flexible and comprehensive electronic poll book solution available today. The software runs on the iPad hardware platform and requires no other peripherals for driver license scanning and signature capture. The three modules of Precinct Central are described below.

Precinct Central Touchpad (iPad App)

The Precinct Central Touchpad is the election worker interfacing application that runs on the iPad. The primary function on this module is to facilitate the voter check-in, handle advanced check-in scenarios, such as address changes and provisional voting. The following items describe the features of this module.

- Run in early voting and election day modes.
- Voter lookup by scanning a driver license or state issued identification card.
- Voter lookup using advanced search features.
- Voter lookup using bar-code enabled voter information card or sample ballot.
- Searching of state-wide voter registration systems (where available)
- Verifying voter eligibility based on election specific criteria.
- Identifying voters that need assistance in voting.
- Identifying voters with absentee ballots requests (returned or just requested).
- Identifying voters with any other special circumstances through comments.
- Voter electronic signature capture.
- Verify current voter signature with the signature on file (where available).
- Identifying ballot type and ballot style.
- Validating ballot style issued by scanning a pre-printed ballot stub.
- Issuing and *tracking* of provisional ballots
- Ability to issue a manual provisional when needed in unique situations (such as a challenge to voter eligibility)
- Issuing a provisional in a voter not found situation – allowing complete entry of all relevant information when a voter is not found, identifying the correct ballot style, and issuing a provisional.
- Allowing and tracking spoiled ballot information
- Allowing onsite address changes for voters moving within the county
- Allowing onsite address changes for voters moving from other counties
- Ballot-on Demand interface for early voting
- Address lookup for precinct verification and directions
- Tracking voters transferred to correct voting location, with any address changes completed.
- Reporting of totals by device and location – including totals by provisional and spoiled ballots
- Reporting of all check-ins on the device or at the location, with various filters
- Printing a voter check-in slip complete voter details and ballot style information.
- Printing of voter transfer slip for voters transferred to correct voting location.
- Printing of list of voters checked in directly from the iPad – for purposes of posting.
- Printing of check-in totals at the beginning of day
- Printing of check-in totals at the end of the day
- Side-ways communication for in-precinct communications

Precinct Central Console

The Precinct Central Console is the IT and Management staff interfacing application that allows Touchpads to be controlled and monitored. The primary function on this module is to aggregate voter check-ins, act as the central repository for databases and perform command and control functions. The following items describe the features of this module.

- Device registration and activation
- Device monitoring when idle and non-operational
- Monitoring views of all iPads allowing real-time tracking of any issues
- Reports for voter check-in activity including information on provisional ballots and spoiled ballots.
- Auditing views with information on processing times, user activity, and statistics
- Heartbeat monitoring with information on battery status, user status and data status
- Setup and configure data for election.
- Pre-election over the air data package loading
- Post-election over the air data package unloading.
- Poll worker payroll module

Precinct Central Data Studio

The PC Data Studio module is designed to run at the client site managing the data transfers and providing near real-time updates to Precinct Central for Early Voting and Absentee changes.

The following items describe the features of this module.

- Data conversion for level-0 data load into Precinct Central
- Real-time / batch data updates from voter registration system for address changes, name changes, status changes, absentee changes
- Real-time / batch update to voter registration system for voting history and absentee changes
- Real-time / batch cancellation of absentee ballots (mailed or requested)
- All check-in information updated to central server.
- All check-in information distributed down to each iPad in real-time from central server.
- Voter credit

Phone: (816) 380-8360

Fax: (816) 380-8365

2026 Bid Specifications

Equipment Tires

- Truck tires must be a cut-resistant, non-stone penetrating composition and have a stone clearing tread design and must be able to be recapped.
- Include the brand name, style, and tread depth with bid.
- Include in bid cost of recapping.
- Bid prices must be entered on form – if you do not choose to bid a specific tire size indicate “No Bid” on form.

NOTE: Because prices fluctuate, all qualifying bids will be accepted for the specified time period. If bid price changes from the original quote, vendor must notify price variance in writing 30 days prior to purchasing.

2026 Bid Specifications

Equipment Tires

- Truck tires must be a cut-resistant, non-stone penetrating composition and have a stone clearing tread design and must be able to be recapped.
- Include the brand name, style, and tread depth with bid.
- Include in bid cost of recapping.
- Bid prices must be entered on form – if you do not choose to bid a specific tire size indicate "No Bid" on form.

NOTE: Because prices fluctuate, all qualifying bids will be accepted for the specified time period. If bid price changes from the original quote, vendor must notify price variance in writing 30 days prior to purchasing.

2026 Bid Specifications

Granular Stabilizing Agent for Granular Roads Delivered

- Product to be compatible for use with a reclaimer.
- Product is to be incorporated with water in order to produce a base layer to enhance strength, stability, and durability.
- The stabilizer and earth materials sealant shall be proven chemically compatible as demonstrated by effectiveness by improving aggregate and soil stability in laboratory testing by independent materials testing laboratories and as demonstrated in field application by providing effective stabilization of aggregate and soil materials used as surface courses for unpaved roads.
- Bid prices to be based on delivery to Road and Bridge maintenance facility located at 30508 SW Outer Road, Harrisonville, Missouri in Cass County.
- To accomplish on time deliveries a cooperative effort between suppliers and County personnel is expected. All deliveries are to be made during normal Road & Bridge working hours unless prior arrangements with County Superintendent have been made.
- Prices valid through December 2026

EXHIBIT A

Section 125.300. Senior Citizen Property Tax Credit. [Ord. No. 24-06, 7-10-2024]

A. Authorization. Pursuant to Section 137.1050, RSMo., a property tax credit is granted to eligible taxpayers residing in Cass County in an amount equal to the taxpayer's eligible credit amount, as provided herein.

B. Definitions. For the purposes of this Section, the following terms shall mean:

ELIGIBLE CREDIT AMOUNT — The difference between an eligible taxpayer's real property tax liability on such taxpayer's homestead for a given tax year, minus the real property tax liability on such homestead in the eligible taxpayer's initial credit year

ELIGIBLE TAXPAYER — A Cass County, Missouri, resident who:

1. Is sixty-two (62) years of age or older; and
2. Is an owner of record of a homestead or has a legal or equitable interest in such property as evidenced by a written instrument; and
3. Is liable for the payment of real property taxes on such homestead.

HOMESTEAD — Real property actually occupied by an eligible taxpayer as the primary residence. An eligible taxpayer shall not claim more than one (1) primary residence.

INITIAL CREDIT YEAR —

1. In the case of a taxpayer that meets all requirements of the definition of "eligible taxpayer" of this Subsection prior to the year in which a credit is authorized pursuant to this Section, the year in which such credit is authorized;
2. For all other taxpayers, the year in which the taxpayer meets all requirements of the definition of "eligible taxpayer" of this Subsection;

If in any tax year subsequent to the eligible taxpayer's initial credit year the eligible taxpayer's real property tax liability is lower than such liability in the initial credit year, such tax year shall be considered the eligible taxpayer's initial credit year for all subsequent tax years.

C. ~~Annual Application For Property Tax Credit. An eligible taxpayer is authorized to receive a property tax credit upon the submission and approval of an annual application by the eligible taxpayer. The County Collector shall apply an eligible credit amount when calculating an eligible taxpayer's total annual tax liability on the eligible taxpayer's homestead~~Reserved.

D. Tax Statement. The amount of credit shall be noted on the statement of tax due sent to the eligible taxpayer by the County Collector.

E. Application. The property tax credit shall be requested ~~for each~~in the initial credit year by a taxpayer in writing on a form approved by the County Collector. _

1. Completion. The taxpayer shall complete all sections of the form required to be completed by the taxpayer. The County Collector shall establish the timeframe by which it shall be submitted for the tax year in which the tax credit is sought to be activated.

2. False Declaration. The form shall state that false statements made therein are punishable pursuant to Section 575.060, RSMo.
 3. Documentation. Any taxpayer submitting such a form shall also provide along with the completed form a valid form of government identification. If the taxpayer is not listed as the record owner by the Assessor in the year in which the taxpayer submits the application, then the taxpayer shall attach a copy of the written instrument which shows a legal or equitable interest in the homestead.
 4. Once approved, the property tax credit shall automatically continue in subsequent tax years without the need for additional annual applications, unless the taxpayer ceases to be eligible or a termination event occurs under this Section.
- F. New Construction. If an eligible taxpayer makes new construction and improvements to such eligible taxpayer's homestead, the real property tax liability for the taxpayer's initial credit year shall be increased to reflect the real property tax liability attributable to such new construction and improvements.
- G. Annexation. If an eligible taxpayer's homestead is annexed into a taxing jurisdiction to which such eligible taxpayer did not owe real property tax in the eligible taxpayer's initial credit year, then the real property tax liability for the taxpayer's initial credit year shall be increased to reflect the real property tax liability owed to the annexing taxing jurisdiction.
- H. Rulemaking Authority. The County Collector shall be authorized and empowered to adopt such rules and procedures as are necessary in order to carry out and implement the provisions of this Article and to develop and require such documents, applications, and instruments as may be necessary or desirable to permit the application of the tax credits authorized herein and to carry out, comply with, and perform the requirements of the provisions set forth in this Article.
- I. Termination. The property tax credit shall terminate in the tax year following the year in which the eligible taxpayer ceases to be eligible under any requirement in Subsection (A). Subject to the foregoing, an eligible taxpayer shall cease to be eligible for the property tax credit if any of the following events occurs:
1. Transfer Of Title. If the property tax credit was claimed by a taxpayer as the owner of record title, then a transfer of record title to the homestead shall terminate the taxpayer's eligibility for the property tax credit.
 2. For property interests in a written instrument. If property tax credit was claimed pursuant to a legal or equitable property interest in a written instrument and such written instrument included a term of years, then the property tax credit will terminate the year which follows the completion of the term listed in the instrument.
 3. ~~Failure to submit an annual application.~~
- J. Limitation. The following limitation shall restrict the Cass County senior property tax credit as follows: the Cass County senior property tax credit shall not apply to the State Blind Pension Fund authorized by Missouri Constitution Article III, Section 38(b).
- K. Severability. If any section, subsection, paragraph, sentence, clause, phrase or word in this Section, policy and/or Chapter, or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such

decision shall not affect the validity or effectiveness of any of the remaining portions of this Section, policy and/or Chapter, or any part thereof.
