Proposition K.I.D.S.

Shall the Board of Education of the Kingsville R-I School District, Missouri be authorized to increase the operating tax levy by \$0.4000 per one hundred dollars of assessed valuation in order to provide additional funds for the purposes of maintaining district facilities and paying the increased costs associated with educational programs, utilities, and other operational needs of the school district?

(The District intends to reduce the debt service levy by \$0.4000 per one hundred dollars of assessed valuation in order to offset the estimated \$0.4000 per one hundred dollars of assessed valuation increase to the operating levy and will result in no net increase to the total tax levy if this Proposition is approved by the voters. Approval of this proposition is estimated to increase the District's adjusted operating tax levy to \$4.1500 per one hundred dollars of assessed valuation and will be applied to the assessed valuation in tax year 2019 and each year thereafter.)
