Cass County Vaccination Partnerships

CCHD is one of several vaccinators in Cass County. We are collaborating with Cass Regional Medical Center, Belton Regional Medical Center, and Compass Health. We are providing individuals on our vaccine interest list with vaccination opportunities sponsored by these agencies as they become available.

Vaccine Demand

CCHD initiated a vaccine interest survey on January 6, 2021. Since that time, nearly 30,000 people have signed up wanting vaccine. This information is being used to prioritize individuals to the correct tier and direct them to vaccine opportunities as they become available.
